Chief Court of Mysore,
 Bangalore, 8th August 1918.

Registrar of the

Chief Court of Mysore.

Chief Secretary to the Government of Mysore,

S i r,

*cts K-15

It has been brought to the notice of the Chief Court by the District Judge of Bangalore that there is a diversity of practice in the different Courts in the method of counting groups of single letters forming abbreviations such as 'I.L.R.', 'C.P.C' and the like, for the purpose of calculating copying fees, and after obtaining the opinions of the Judges of inferior Courts the Chief Court consider that a rule may be adopted by which groups of five letters or figures may count as one word; the present rules provide for so counting groups of 5 figures but contain no provision in the case of letters forming abbreviations. And at the same time it is proposed to make it a rule that initials of persons prefixed to their names shall not be counted at all. The Judges think that initials may well be considered a part of the name to which they are prefixed.

The effect of the rules proposed may be illustrated as below.

The groups

"I. L. R. 30 Bo 260" will count as two words,

"1 M.H.C.R. 156" will count as two words,

"M. O. Parthasarathy Iyengar" will count as two words,
whereas at present in some Courts the first two would be
counted as six words each and the last as four.

I am to forward herewith draft amendments to the
Civil and Criminal Copyists' rules and to request the
sanction of the Government to them.

I have the honor to be,

Sir,

Your most obedient servant,

R E G I S T R A R.

Addendum et Corrigendum dated the August 1918 to
Rule of Practice No. 85 dated the 27th March 1913.

The Chief Court directs that the last sentence of
paragraph 4 of the said Rule of Practice be deleted, and the
following paragraph be inserted between paragraphs 4 and 5.

4 A. "Every group of not more than five letters not

five figures or five figures and letters combined occur-
ring in one place in a copy will be regarded as equivalent
to one word. Initials prefixed to the names of persons
will not be counted as a separate word or words."

Illustrations.

Sec 205 C.P.C. forms one group of five letters and
figures combined and one group of 4 letters and figures
combined: it counts as two words.

"I. L. R. 30 / Bo 260" forms two groups each of five letters
and figures combined and therefore counts as two words.

"1 M. H. C. R. / 156" forms two groups one of 5 letters and
figures combined and one of three figures: it will
count as two words.

The name "M.O. Parthasarathi Iyengar" will count as two
words.
